Magnet in base

Function 7¹⁾
ACCU rechargeable

1) replaceable battery with mains charger

Description and features

The MINI XENON torch from OSRAM sets new standards in technology and power. With its ultra modern MINIWATT XENON lamp this torch provides pure white light of impressive brilliance.

STAR HALOGEN and STAR HALOGEN ACCU are compact torches made from high-grade aluminium that combine super-bright halogen light with well-thought out versatile functionality.

STAR HALOGEN

- Slim, high-intensity torch and warning light
- Wide beam, narrow beam and warning light functions
- Long-range thanks to special computer-designed reflector
- Practical magnet for easy mounting in base
- STAR HALOGEN ACCU: with rechargeable, replaceable batteries
